

# **LAUDERHILL POLICE OFFICERS' RETIREMENT PLAN**

## **SECURITIES LITIGATION POLICY**

### **I. Principles**

1. The Board of Trustees manages the assets entrusted to it "in accordance with the prudent expert principle" which requires that the Board act "with the care, skill, prudence, and diligence, under the circumstances then prevailing, that a prudent person acting in a like capacity with the same resources and familiar with like matters exercises in the conduct of an enterprise of a like character and with like aims." Florida Statutes, Section 112.656; Section 112.661.
2. Claims under state and federal securities laws arising out of losses on securities under the Board's management are assets subject to the Board's fiduciary duty of prudent management. Accordingly, the Board should take reasonable steps to identify and recover on such claims. Such steps may include:
  - Participating as passive class member in class actions brought by others, and filing a proof of claim when action is settled/resolved
  - Enhanced participation as class member in class actions brought and led by others, by considering objections or comments on settlements
  - Active participation in class action litigation, including serving as a "lead plaintiff" or "co-lead plaintiff" pursuant to the Private Securities Litigation Reform Act
  - Separate litigation on behalf of the Board
3. The Board will delegate to qualified service providers the responsibility to take steps to identify, analyze, pursue and collect upon securities law claims. The duties of each service provider shall be clearly articulated as a matter of contract and the Board shall adopt prudent, documented procedures to monitor the implementation of its policies.

## II. Policies

1. The Board shall take reasonable, cost-effective steps to identify, pursue and collect upon claims under state and federal securities laws for losses suffered by the Board on its investments because of alleged or proven violations of securities laws.
2. A proof of claim should be filed on behalf of the Board in connection with every securities class action litigation settlement or judgment in which the Board is a member of the plaintiff class.
3. Because pursuing securities litigation as an active plaintiff, either by separate lawsuit or by serving as a lead plaintiff in a class action, imposes on the Board a separate fiduciary responsibility to other class members (in the case of lead plaintiff status), administrative, legal and other burdens and possibly out-of-pocket expense, the Board will not consider separate litigation or lead plaintiff status with respect to any claim unless the losses suffered with respect to the particular securities are at least \$100,000. When losses exceed that amount, the Board may commence separate litigation or apply for lead or co-lead plaintiff status, after receiving advice from the Board's General Counsel that it is in the interest of the Board to do so. The criteria to be considered in deciding whether to commence separate litigation or apply for lead plaintiff status are set forth on Attachment 1.
4. If the Board has suffered losses of \$100,000 or more, and the Board is not pursuing separate litigation or acting as lead or co-lead plaintiff in a class action, the Board may play an enhanced role, which may include review of the terms of any settlement, including applications for legal fees, to determine if the Board should file a comment or objection with respect to the settlement, or opt out of the class. The criteria for deciding whether to opt out are set forth on Attachment 1. The Board is authorized to direct the filing of a comment or objection.
5. The Board will act only as a passive class member with respect to any claim in which the losses suffered are less than \$100,000. Proofs of claim will be filed on behalf of the Board upon a settlement or final judgment awarding damages in relevant class actions.

6. The Administrator and General Legal Counsel, and the Board's Investment Consultant shall receive reports from the Monitoring Legal Firm, regarding the status of all securities class action litigation matters in which the Board is or could be a member. The Administrator shall receive such reports at least monthly and upon each filing of proofs of claim.

- Evaluate settlements of actions in which Board is not lead plaintiff where losses exceed \$100,000 and recommend whether Board should object to, comment upon or opt out of settlement
- File objections to and comments upon settlements as authorized

**ATTACHMENT 1 - IMPLEMENTATION PROTOCOLS**

Considerations Relevant to Deciding Whether to Pursue Separate Litigation or Lead or Co-Lead Plaintiff Status

*Will the Board add value by volunteering to lead or co-lead litigation in view of the fiduciary responsibilities (as class action lead or co-lead plaintiff), administrative burdens and costs that are associated with separate litigation and acting as lead or co-lead plaintiff?*

1. Size of the Board's damages measured by standards applicable to securities litigation
2. Strength of claims, including evaluation of defenses
3. Special circumstances which render the Board's claims different from, stronger or weaker than claims of typical class members such that it would be in the interest of the Board to act as lead or co-lead plaintiff
4. Venue of litigation
5. Resources available to pay a significant judgment (e.g. financial condition of potential defendants, availability of insurance, potential for bankruptcy)
6. Qualifications of other lead plaintiff candidates and their counsel, and likelihood that the Board would be selected a lead or co-lead plaintiff
7. Relation of claims to other corporate governance issues of special interest to the Board, and impact on other Board holdings
8. Potential for non-monetary remedies of special importance to the Board which other class members/lead plaintiffs may not pursue
9. Costs to the Board of separate litigation/lead or co-lead plaintiff status such as discovery, legal fees and Board staff time and resources needed to monitor litigation more actively
10. Potential exposure to counterclaims/court costs, and willingness of litigation counsel to indemnify the Board against such exposure.

**Considerations Relevant to Deciding Whether to Opt Out,  
Object to or Comment on Settlements**

*Is the Board receiving fair value for its claims? Does the likely gain to the Board to be achieved by objecting to or commenting on a settlement outweigh the costs of engaging counsel to file the objection/comment? Should the Board risk losing the certain recovery the settlement provides in order to opt out of the class and pursue separate claims independently?*

1. Financial value of settlement to class as a whole and the Board in particular
2. Non-monetary (e.g. corporate governance) aspects of settlement, or the lack thereof
3. Amount of attorneys fees sought and merits of attorneys fee claim
4. Expense and risk (including value which might be lost if settlement is disrupted or rejected) associated with opting out, commenting or objecting in relation to expected benefits of doing so.

ADOPTED by the Board of Trustees of the Lauderhill Police Officers' Retirement Plan the 01 day of MARCH, 2017.
